The Tobacco Fair!

ANOTHER GREAT SUCCESS!

Were Many Visitors and a Big Display of Samples.

LIST OF THE PREMIUMS AWARDED.

The Second Annual Tobacco Fair of Maysville has passed into history as a splendid success.

Notwithstanding the cold and uninviting weather, all trains brought big crowds, and the good old town took on a holiday appearance.

AT THE COURTHOUSE.

Colonel Abner Hord of Wedonia presided over the meeting at the Courthouse at 10:30, and in taking the chair gave some sterling advice to the farmers, advising them to quit fighting the Trusts—the Trusts will take care of themselves, and it was the duty of the farmers to take care of themselves.

Mr. Henry Lloyd was Secretary of this meeting.

President John Duley of the Board of Trade made a few remarks, begging the people to indulge in less of politics and more of business.

Hon. Walter Matthews was called, as was also Mr. Scott Osborne, who suggested a plan for a Tobacco Factory at Maysville, by stock subscriptions of \$50 a share, no man to own more than ten shares.

Mr. Henry Lloyd indulged in a few remarks in which he congratulated the farmers on coming together in an effort to combine for their common benefit. He fully agreed that Kentucky had indulged too much of politics and too little of business, and now was the time for our people to join in an effort to keep our young men at home and to provide employment and business for them.

Mr. L. W. Galbraith spoke in favor of a Tobacco Factory in Maysville, contending that it would be beneficial not only to the grower, but to the manufacturer as well.

Hon. Thomas M. Scott of Ghent, the speaker of the day, made a well-timed and wholesome address on the value of the independent tobacco factory as the salvation of the grower and the warehouseman, as it constitutes the only competitor to the Trust.

Mr. Scott proved a most pleasing speaker, and his words were received with much appreciation.

Following Mr. Scott, Mr. Thomas A. Davis was called, and at the close of his remarks the meeting adjourned.

AT THE OPERA-HOUSE.

It was considerably after the appointed hour when the curtain went up at the Opera-house, revealing one of the most representative assemblies of business men ever gathered in the city, while the stage was comfortably filled by visitors from Cincinnati, Louisville and the adjacent counties of Kentucky and Ohio.

The program was opened with an invocation by the Rev. Howard T. Cree of the Christian Church.

After a selection by the Maysville

Orchestra, which discoursed sweet music throughout the entire program, the Hon. John P. McCartney of Flemingsburg delivered an address of welcome, being followed by Hon. James N. Kehoe of this city, who presented as a business proposition the urgency of a tobacco factory in Maysville, appealing to the farmers of the county to subscribe liberally to such an enterprise.

Several who had been given a place on the program were represented by letters of regret, but Colonel Sam H. Stone of Louisville made a clever talk in response to urgent calls.

After the sale of the tobacco, etc., came the distribution of the premiums to the successful competitors, as follows:

The premium exhibits were sold at auction at the Opera-house, the Bright Leaf going to Theo. Kirk of Cincinnati at \$25, the Red Leaf and Lugs at \$18.50 and \$19.75, respectively, to B. S. Rankins of Cincinnati and the Cigarette Fillers were bought by John Downard of Cincinnati at \$28.50.

Corn sold for \$1 per bushel and wheat for 76c, both to O. H. P. Thomas of this city.

In conclusion, it may be stated that the number of competitors would have been much larger had the weather been favorable for handling tobacco and securing samples.

Beware of Quackery For Catarrh That Contains Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces, such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists, price 75c. per bottle. Hall's Catarrh Pills are the best.

D. Hechinger & Co.

We were correct when we said a while since that we did not intend having dull January and February business. To be sure there is no profit, in fact in many instances there are losses on our sales; but we have always had a great weakness to close out one season's stock before the next season comes in, hence our stock is always fresh and new.

There still must be good many people who have not availed themselves of securing "our kind" of

Clothing!

At the Cut Prices we are now selling at.

Why not come in and buy an Ulster or Overcoat at a price that will save you at least one-third of the money you will have to pay for next winter? What an excellent opportunity now to buy a Stein-Block or Adler Suit, medium weight, one that you can wear nine months out of the twelve, and buy it for less money than you buy ordinary goods for.

We will be benefited in turning these goods into money, but you will be vastly more benefited in buying them. Were we addicted to fake advertising that so many clothing men resort to, viz, the fellows who advertise \$10 suits for \$3.98, we would embellish more. The truth needs no embellishment. You know we only advertise and sell "straight goods."

THE HOME STORE.
D. HECHINGER & CO.

THE BEE HIVE WE WANT TO SELL OUT QUICKLY!

The services of our Maysville partner are urgently needed in the East. In fact he ought to be there now. We have had many applicants who wanted to buy our business outright, but in all instances the stock has been too large. The stock must be reduced at once to meet the means of a "lump buyer." Hence we will indulge in still greater sacrificing and price cutting to make the goods move more quickly. COME NOW; DON'T LET THE OTHERS GET THE BEST OF THE BARGAINS.
